

Imagine learning to color without a crayon...

Did You Know?

- More than half of the students in Osceola County can't afford lunch, much less school supplies.
- Some kids go to school without socks, underwear, or showers.
- Teachers spend an average of \$500 a year to help care for their students' needs.
- School supply budgets only allocate five cents a day for each student.
- Businesses search for positive outlets for useable, surplus product.

Many families struggle on a daily basis to provide these essentials for their children, but food and shelter many times take precedence.

Help local students ...

Get your office involved in collecting school supplies at your place of work or donating surplus product, slightly damaged merchandise, or discontinued items to be transferred back to the community through the teacher FREE store. All supplies collected will be put directly into the hands of NEEDY students in the Central Florida area.

It's an **EASY** and **REWARDING** way to help your community.

Call us at 407-348-2370 and we will help you get started. With the help of businesses like yours, we can provide enhanced learning experiences for students in our community.
